## OUR TRAININGS ARE RECOGNISED BY HRDF

### *Learning To Live With Passion...*

Neuro Linguistic Programming (NLP), Hypnosis and Time Line Therapy® are one of the most advanced technologies today for creating human change both in individuals and groups in Personal Life, Business, Education On-Going Coaching and Therapy.

You have already learned to use the technology of Neuro Linguistic Programming (NLP), Hypnosis and Time Line Therapy®, and now it is time to take your NLP Practitioner skills to new levels! The NLP Master Practitioner Training is all about mastery – the mastery of your current NLP skills, and to create mastery at a whole new level of powerful techniques, as well as learning how to use them from an entirely different angle.

In the Master Practitioner -- you reach new perspectives, you Master your NLP Patterns and Techniques -- you learn everything from a "higher logical level," which means that every NLP technique that you've ever learned before becomes just that much more useable and workable. Plus you will learn how to apply all your techniques in coaching, business, relationship, sports, parenting, education, therapy or any other area of your choice.

As a Master Practitioner you will understand the power of values, beliefs and people's structure of personalities and learn how to manage change at these deeper levels of the unconscious mind. You gain insides into coaching at Values Levels. You understand where your client or organisation stands in Values Levels and coach them to new breathtaking heights through modeling expertise.

You also utilise the secrets of NLP Master Trainers through presentation skills training that bring your performance on any stage to mastery.

To master NLP, you will gain the passion to learn, the curiosity to experiment and the drive to integrate NLP in every part of your neurology and environment to ultimately live and function at a high level Meta-State.

### **Why you should take the NLP Master Practitioner Training with us**

Companies and individuals ask for coaches that assist them in accelerating their performance to new levels. It is not easy to find a good coach or to stand out as a great coach amongst many others. We developed this training to just address these issues.

As an NLP Coach certified by the Coaching Division of ABNLP, you will probably meet or exceed any standard of any coaching organisation currently in the world today regardless of which coaching organisation it is.

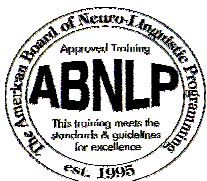

Asia Mind Dynamics is in good standing with all the boards and organisations that recognise your certificate. In addition to their teaching, we constantly search for the best NLP teaching across the world to enhance our material and to set the gold class standard in the NLP Industry in Malaysia and beyond.

**You will make lasting, enduring friends at the NLP Master Practitioner Training.**

---

### **Certificates that you will receive**

At the end of your training, you will carry the title of NLP Master Coach and receive 4 certificates. All our certificates are recognised by leading boards and institutions around the world and stand for highest quality.

**\*\*These certificates are not guaranteed and only presented to you after you demonstrated your skills, your professionalism, and ecological behaviour according to the standards set by these institutions.**

### About the Workshop Leader - Andreas Dorn

Andreas, a director of Asia Mind Dynamics, is a Trainer, Business and Life Coach, and Speaker. He trains and coaches with NLP, TimeLine Therapy™ techniques, Hypnotherapy, and the Enneagram. He is the only trainer in Malaysia licensed to teach the "Words That Change Minds" The Language and Behaviour Profile (LAB Profile) Tool.

Of note is Andreas' varied and wide cultural knowledge, having lived and worked in Indonesia, Malaysia and Singapore for the past 15 years with multinational and governmental organisations.

This experience allows Andreas to bridge the diversity of Western and Asian culture and, with great understanding and patience, to bring to fruit the best of both worlds.
